

Southport Custom Show 2021

Thank you for your interest in entering your scooter in the LCGB Southport Trade & Custom Show at Southport Market Hall on Sat 30th October 2021. As this is a smaller space there will not be the same number of bikes able to display although we still expect to show over 60 bikes on the day space will be allocated on a first come basis. Please bear with us your space will be smaller than previous years.

As usual all scooters entered will be judged in one of two groups – ‘Custom Class’ or ‘Ridden Class’. Please ensure you read and understand the information below before completing and returning pages 2 & 3 of the entry form no later than Saturday 9th October 2021. All entries are expected to be entered in the spirit of things and although not every scooter in the show will win a trophy, at least you can be proud that your scooter is being admired by fellow enthusiasts, and the public.

With a number of different judging categories, on offer to entrants you can enter as many categories in your class, as is appropriate for your scooter.

Judges are (or were) scooter riders themselves and they will decide their choice in each class; the Judges decisions will be final.

Custom Class – Scooters that are ‘transported’ (not always ridden) to Scooter Custom Shows & Events, this includes those machines that are only ridden ‘occasionally’ i.e. Ride Outs.

Ridden Class – Scooters that are regularly ridden to Scooter Events, Custom Shows & Scooter Rallies. (Judges will easily spot the tell-tale signs of scooters that are very rarely ridden and will move any considered ‘dubious’ Ridden Entry Scooters into the ‘Custom Class’ to be judged).

The Background to the various Judging Categories:

- Lambretta/Vespa Classes – Best model in that class from entries in the show; retaining the look of the manufacturer’s specification as initially produced at the Factory.
- Street Racer – The general style accepted as this type of scooter.
- Chopper/Cutdown – More than 10% of its bodywork removed or permanently altered.
- Automatic Engined Scooter – Alongside the increasing number of scooters (both Traditional and Twist & Go); all machines with an ‘Automatic’ Engine are included in this category.
- First Time Entrant – The very first time the Scooter has ever been entered in a ‘Custom Show’ at a BSRA/LCGB/‘National’ Scooter Rally/Event or Custom Show (VMSC/Burton Brewers, etc).
- Un-Restored – Paint & Bodywork is still from original production at the Factory.
- **General Classes** – tick as appropriate. Will be judged across all scooters entered in these categories irrespective of whether scooter is ‘Custom Class’ or ‘Ridden Class’.

Conditions of Entry

NO ENTRY FORMS WILL BE ACCEPTED AFTER SATURDAY 9th OCT 2021 AND NO ‘ON THE DAY’ ENTRIES WILL BE ALLOWED. (This is to enable all entries to be given a judging number, allocated appropriate space to display each scooter).

You will be sent **TWO** wristbands per entry, and your entry number, around one week before the show. When you arrive

you need to present yourself to the **LCGB Show Marshalls** at The Market Hall King St Southport PR8 1LA from 8.am to 9.00am. Only those people with a wristband will be allowed into The Venue.

If you don't present yourself to the **LCGB Show Marshalls** by **9.30am** it will be assumed you can't make it, but if possible try to let us know.

Power points may be available but cannot be guaranteed, so if you want to request a power point, highlight this below. Please note you are personally liable for any accidents caused by any of your equipment. **Please ensure you have enough cable, double adaptors or similar, and enough tape to secure cables on the floor.**

Trophies will be awarded at approximately 3.pm, scooters can only be removed following the presentations.

PLEASE MINIMISE ALL LIQUIDS (i.e. Petrol, Oil, etc) IN MACHINES PUT ON DISPLAY

Machines leaking any liquid during the show will be removed from the hall by Show Stewards

ENTRY FORM AND INDEMNIFICATION (Print Clearly)

NAME OF OWNER.....

FULL HOME ADDRESS.....

.....

POST CODE..... TEL..... E-mail.....

SCOOTER DETAILS (The more accurate, the better)
